A Passionate Past | A Bright Future

Merry Edwards Winery was founded in 1997 and produces terroir-driven, single-vineyard Pinot Noirs, including the winery flagship Meredith Estate, from 80 acres of estate vineyards in the Russian River Valley. Over two decades, as Merry assembled this stellar collection of vineyards, she employed meticulous attention to detail to become known for crafting Pinot Noirs of immense depth, elegant structure and exceptional longevity.

The winery also makes three appellation wines. The Russian River Valley and Sonoma Coast Pinot Noirs showcase the art of blending. These core wines highlight the best qualities of each AVA and are made to be approachable from release. The winery's fragrant, barrel-aged Russian River Valley Sauvignon Blanc is among the most sought after made in California. A single-vineyard Chardonnay from the venerable Olivet Lane Vineyard and Late Harvest Sauvignon Blanc round out the portfolio.
